

Program at a Glance

SIP 2016 – 24-29 / 07/2016 -Tours - France

Unless specified, all events will be located at the Vinci International Conference Centre

Sunday – July 24

08:30-17:30	Registration	Hall
09:00-17:00	Council Meeting	Montlouis
14:00-17:00	Bacteria Division Workshop 'Bt Nomenclature'	Chinon
18:00-21:30	Mixer - Hotel de Ville de Tours	

Monday – July 25

07:30-08:15	Qi-Gong	Foyer
08:00-17:00	Registration	Hall
08:30-09:00	Opening Ceremony	Descartes
09:00-10:00	Founders Lecture	Descartes
10:00-10:30	Coffee Break	A. Sorel
10:30-12:30	Plenary Symposium 'Insect for Food and Feed'	Descartes
12:30-14:00	Buffet Lunch	A Sorel
	Junior Researcher Workshop 'Postdoctoral funding opportunities in the EU & US' JIP Editorial Board Meeting	Chinon Montlouis
14:00-16:00	Symposium Dis. of Beneficial Invertebrates 'Mollusc Diseases' Special EU Cost Action session 'Ménage à trois - Three way interactions between plants, arthropods and microbes that benefit the plants' Session Virus 1 Session Bacteria 1	Courteline Descartes Vouvray Chinon
16:00-16:30	Coffee Break	A Sorel
16:30-18:30	Symposium Fungi Division 'How fungi mediate protection against herbivores and plant pathogens' Session Disease of Beneficial Invertebrates 1 Session Virus 2 Session Microbial Control 1	Descartes Courteline Vouvray Chinon
18:30-19:45	Division Business Meetings and workshops: Microsporidia Workshop: 'Hot topics in microsporidia research' Bacteria Fungi	Courteline Vouvray Chinon

Tuesday – July 26

07:00-07:45	Qi-Gong	Foyer
07:35-12:30	Registration	Hall
08:00-10:00	Special Symposium 'Human impact on pathogens-honeybee interactions' Cross Division Symposium 'Recruitment of beneficial microbes and nematodes' Session Bacteria 2 Session Fungi 1	Vouvray Chinon Courteline Bourgueil
10:00-10:30	Coffee Break	A Sorel
10:30-12:30	Symposium Microbial Control Division 'Next Generation Biopesticides' Session Virus 3 Session Microsporidia Session Bacteria 3	Chinon Vouvray Bourgueil Courteline
12:30-17:30	Optional Excursion to Amboise	
16:30-22:00	Garden Party – Domaine de Candé (BBQ & Race)	

Wednesday – July 27

07:30-08:15	Qi-Gong	Foyer
08:00-16:00	Registration	Hall
08:30-10:30	Cross Division Symposium 'Next Generation Sequencing'	Chinon
09:00-10:30	Session Nematodes	Bourgueil
08:45-10:30	Session Virus 4	Courteline
08:30-10:30	Session Microbial Control 2	Vouvray
10:30-11:00	Coffee Break	A Sorel
10:30-13:00	Poster Session	A Sorel
12:00-13:30	Cocktail Lunch	A Sorel
12:30-13:30	ICTV Meeting	Bourgueil
13:30-15:30	Symposium Bacteria Division 'Unity and diversity of Entomopathogenic bacteria' Session Fungi 2 Session Virus 5 Session Microbial Control 3	Chinon Bourgueil Vouvray Courteline
15:30-16:00	Coffee Break	
16:00-18:00	Symposium Nematode Division 'Harnessing Metabolites from Entomopathogenic Nematode Symbiotic Bacteria for Broad Use' Session Microbial Control 4 Session Disease of Beneficial Invertebrates 2 Session Virus 6	Chinon Courteline Bourgueil Vouvray
18:00-19:45	Division Business Meetings and Workshops: Microbial Control Nematodes Workshop: 'Shooting a Worm' Virus Workshop: 'Taxonomy of Polydnviridae' DBI Workshop: 'Coral Diseases'	Courteline Chinon Vouvray Bourgueil
18:00-20:00	Outreach at the Guingette	

Thursday – July 28

07:00-07:45	Qi-Gong	Foyer
08:00-14:00	Registration	Hall
08:00-10:00	Symposium Virus Division 'Viruses and horizontal gene transfers' Session Fungi 3 Session Disease of Beneficial Invertebrates 3 Session Microbial Control 5	Descartes Courteline Bourgueil Vouvray
10:00-10:30	Coffee Break	
10:30-12:30	SIP Business Meeting	Descartes
12:30-14:00	Buffet Lunch	A Sorel
12:30-14:00	Student Competition Jury	Vouvray
14:00-16:00	Symposium Microsporidia Division 'Host Pathogen interactions' Session Bacteria 4 Session Virus 7 Session Microbial Control 6	Bourgueil Courteline Descartes Vouvray
16:00-16:30	Student Business Meeting	Vouvray
18:00-01:00	Banquet – Grange de Meslay	

Friday – July 29

	Location: IRBI UMR CNRS 7261, Université François Rabelais
09:00-17:00	Summer School on Invertebrate Pathology Optional
